Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to an Office action herein mailed May 30, 2002, setting a time for response to expire on August 30, 2002. A petition for an extension of time of three (3) months, which extends the time for response until November 30, 2002, is attached herewith along with the required fee. As November 30, 2002 falls upon a Saturday, this amendment is timely filed on Monday, December 2, 2002. Pending claims 14-22 and 24-32 were rejected in the Office action. Careful consideration has been given to the grounds for rejection and the following remarks are offered in response. Reconsideration is respectfully requested.

Attached is Exhibit A, which is entitled "Marked Version of the Claims."
